Mr. Plunkett presided.

Mr. Plunkett said, "For the record, has the Secretary to the Board gone to the reception area to invite any members of the public who wish to attend today's meeting to come to this conference room?"

Ms. Mrijaj confirmed that she had done so.

Mr. Plunkett said, "I understand the Deputy Budget Director wishes to make five motions."

Ms. Bossey said, "I move to add item 46 (OnBase ID #52579) to the agenda. The resolution would authorize the County to (i) enter into a Grant Agreement with Abt Associates, Inc. for the County's participation in the Job Search Assistance Strategies Evaluation study ("JSA Study") and (ii) enter into a Data Use and Security Agreement with Abt Associates, Inc. to address the terms and conditions under which the County will disclose the data it collects from its cash assistance recipients to Abt under the Grant Agreement, and (iii) amend an Agreement with Westhab, Inc. to expand the scope of services to provide assistance to the County with the JSA Study and also to require Westhab to comply with certain confidentiality requirements."

Mr. Kaplowitz seconded the motion and it was unanimously approved.

Ms. Bossey said, "I move to add item 47 (OnBase ID # 52591) to the agenda. The resolution would authorize the County to enter into an agreement with Summit Security Services, Inc. for security guard services at various locations, Westchester County, New York through the New York State Contract Award Number 22436, for the period of September 1, 2016 through July 23, 2017, in an amount not to exceed \$707,974.51."

Mr. Kaplowitz seconded the motion and it was unanimously approved.

Ms. Bossey continued, "I move to add item 48 (OnBase ID # 52599) to the agenda. Resolution to authorize the County to amend its agreement with Liberty Lines Transit, Inc., pursuant to which it was to provide professional management, operation, and maintenance services for a

payments.”

Mr. Kaplowitz seconded the motion and it was unanimously approved.

Mr. Plunkett said, “Let me just say I’ve been in touch on this matter with the FTA there is some language in the actual agreement which I don’t think is actually attached to the resolution, which includes the words ‘and to be incurred’ which would have to be deleted from the agreement according to the FTA based upon an email I received about 10:30 this morning. So with that amendment I would ask that the motion by the Madame Secretary be amended to reflect that the language in the agreement that says “and to be incurred” would be deleted from the agreement upon the FTA’s recommendation. I know we haven’t voted on the motion so I am making an amendment to the motion may I have a second to the amended motion.”

Ms. Bossey seconded the motion and it was unanimously approved.

Ms. Bossey said, “I move to add item 49 (OnBase ID # 52582) to the agenda. Resolution authorizing the County of Westchester to enter into an agreement with Housing Action Council, Inc., its designee or assigns to, to provide funds for costs related to the acquisition and affirmative fair housing marketing and resale of an existing single family house located at 15 Granite Springs Road, Town of Yorktown, to create one affordable ownership home that will affirmatively further fair housing.”

Mr. Kaplowitz seconded the motion and it was unanimously approved.

Ms. Bossey said, “I move to add item 50 (OnBase ID # 52598) to the agenda. Resolution authorizing the County of Westchester to exercise an option to extend an Agreement with TALX Corporation, a provider of Equifax Workforce Solutions, to provide necessary software and services to the County for compliance with the Affordable Care Act’s employer mandates, for one year commencing August 1, 2016 through July 31, 2017, for an amount not-to-exceed \$45,000.”

Mr. Kaplowitz seconded the motion and it was unanimously approved.

Mr. Plunkett said, “I understand Mr. Kaplowitz you wish to make a motion to sever item #26.”

Mr. Kaplowitz said, “So moved.”

Mr. Plunkett seconded the motion and it was unanimously approved.

Mr. Kaplowitz said, “Just for the record the traditional IMA language please.”

Mr. Plunkett said, “Chairman Kaplowitz is reserving the rights for the Board of Legislators that the IMA’s that come before the Board of Acquisition and Contract are really in the purview of the Board of Legislators under Local Law #6-2012 which is still being considered by the Appellate Courts.”

**Statement of Michael B. Kaplowitz,
Chairman of the Westchester County Board of Legislators**

In 2011 the Westchester County Board of Legislators passed a local law that, among other things, made Board of Legislators' action sufficient to authorize the County Executive to implement Inter-Municipal Agreements – without approval of the Board of Acquisition and Contracts. The local law has subsequently been judicially sustained.

There is today a resolution before the Board of Acquisition and Contracts authorizing the County Executive to enter into Inter-Municipal Agreements.

I will vote for the resolution because I am in favor of the underlying matter. I recognize that the resolution is on the agenda pro forma.
